

## ST. BERNARD'S CATHOLIC SCHOOL

# Providing a Quality Education for Each Child

We are committed to  
helping all students reach  
their full potential in a  
nurturing and safe school.

We put that commitment into practice by earning accreditation from the Minnesota Nonpublic School Accrediting Association (MNSAA).

### *What does this mean to you?*

It means that your students are receiving a quality education. It means that:

- Students are taught by qualified and professional teachers;
- The curriculum is rigorous and integrated with best educational practices;
- Our school complies with State of Minnesota guidelines for health, safety and well-being; and
- Oversight is provided by a concerned governing body.

It means that the quality of our educational program is affirmed by the Minnesota Department of Education and nationally recognized.

It means that we go beyond state requirements and hold ourselves accountable to meeting a higher standard of excellence, and that we are dedicated to ongoing school improvement.
